

## **Even heaven cries**

Monrose

There are times when you feel  
that you don't know where you fit in  
So you hide what is real even when it hurts you pretend  
To be the one that you think everybody wants you to be  
No one sees

The one you really are  
But you don't have to hide your heart  
Cause nothing by you needs to change  
Sometimes it might seem hard  
your whole world falls apart  
Just know that when you feel that way

**Even heaven cries  
Everybody cries  
It's ok to doubt  
Yourself sometimes  
You don't have to be afraid  
Of what you feel inside  
It's alright, it's alright  
Cause even heaven cries**

When you look in the mirror,  
and you don't see picture of perfect  
what they say break your heart and make you feel that  
you're not worth it. Wanna disappear, hide the tears,  
still playing make believe, so no one sees

**Even heaven cries  
Everybody cries  
It's ok to doubt  
Yourself sometimes  
You don't have to be afraid  
Of what you fear inside  
It's alright, it's alright  
Cause even heaven cries**

You're not alone  
Don't be ashamed  
To let your feelings show  
You should realize  
You're special who you are  
In time you're gonna see...

**Chorus**
