

I will always love you

Whitney Houston

If I should stay
I would only be in your way
So I'll go but I know
I'll think of you every step of the way

**And I will always love you, ooh
Will always love you
You, my darling, you**

Bittersweet memories
That is all I'm taking with me.
So good-bye.
Please don't cry:
We both know I'm not what you, you need

**And I will always love you, ooh
Will always love you
You, my darling, you**

I hope life treats you kind
And I hope you have all you've dreamed of
And I wish you joy and happiness
But above all this I wish you love

**And I will always love you, ooh
Will always love you
You, my darling, you.**
