

Slipped away

Avril Lavigne

I miss you, miss you so bad
I don't forget you, oh it's so sad
I hope you can hear me, I remember it clearly

**The day you slipped away
Was the day I found it won't be the same**

Nana, nanana, nana
I didn't get around to kiss you, goodbye on the hand
I wish that I could see you again, I know that I can't
I hope you can hear me, 'cause I remember it clearly

**The day you slipped away
Was the day I found it won't be the same**

I've had my wake up, won't you wake up
I keep asking why?
And I can't take it it wasn't fake it
It happened you passed by

Now you're gone, now you're gone
There you go, there you go
Somewhere I can't bring you back

Now you're gone, now you're gone
There you go, there you go
Somehow you're not coming back

**The day you slipped away
Was the day I found it won't be the same**

**The day you slipped away
Was the day I found it won't be the same**

Nana, nanana, nana
I miss you
