

To where you are

Josh Groban

Who can say for certain
Maybe you're still here
I feel you all around me
Your memories so clear
Deep in the stillness
I can hear you speak
You're still an inspiration
Can it be

**That you are mine, forever love
And you are watching over me from up above.**

Fly me up to where you are
Beyond the distant star
I wish upon tonight
To see you smile
If only for a while
To know you're there
A breath away's not far to where you are.

Are you gently sleeping
Here inside my dream?
And isn't faith believing
All power can't be seen
As my heart holds you
Just one beat away
I cherish all you gave me
Everyday

Chorus

And I believe
That angels breathe
and that love will live on
And never leave
Fly me up to where you are
Beyond the distant star
I wish upon tonight
To see you smile
If only for a while
To know you're there
A breath away's not far to where you are.

I know you're there
A breath away's not far to where you are
